Dear Miss Hurst,

Enclosed is the copyoof WHITEWASH: THE REPORT ON THE WARREN REPORT, that you requested. As you will note, this is a private printing. Hence I am both author and publisher.

This book, the first on the subject of the Report or the President's Commission (and I believe still by far the most complete), is in some commercial channels. Those whose bookstores cannot supply it may get it directly from me. Those bookstores whose usual suppliers do not carry it can also obtain WHITEWASH from me at normal trade arrangements.

Thank you for your interest.

Sincerely,

Harold Weisberg
